

LaGrandle Johnson

Seeking an opportunity as a Creative web designer to display my passion for using graphic and web technologies to enhance an organization's capabilities.

EXPERIENCE +

July 2010 - Present

Freelance

Jaime Jorge Ministries International (2011-ongoing)
In charge of webmaster management and content update execution. Dramatically increased search engine visibility.

In 2 Used Furniture (2010) www.in2usedfurniture.com
Website for local used furniture dealer. Created web layout and designed graphical interface.

RNK Express (2010) www.rnkexpress.com
Website developed for local transport company. Shaped graphical design and implemented programming development.

October 2010 - February 2011

District Design Studio Charlotte, NC

Junior Web Developer for a digital marketing agency. Entrusted with setting up complex website additions using CSS/HTML, PHP, Javascript using JQuery, and MySQL. + Executed revisions using a custom content management system.

January 2010 - March 2010

Limitless Exposure Charlotte, NC
Project Manager for Manifesto Film Festival, an independent festival that showcased nationally recognized filmmakers' productions. Coordinated all contractual negotiations, and delegated responsibilities to a team of approximately 14 members; the event produced its first profit in its 7th Generation.

December 2009 - March 2010

Bitflip Technologies Charlotte, NC
Junior Web Developer for digital agency. Created content using HTML/CSS languages, and managed custom content management system. Clients include T1 Tapas and West Virginia University Charlotte Alumni Chapter.

November 2005 - Present

Sprint Charlotte, NC
Customer Service Specialist for Fortune 40 company. Oversaw device operations and handled billing errors. Recognized among top 10% in company's enterprise.
